

Habit 4: Think Win-Win

We are positive, resilient and work with others to solve problems creatively

Scenarios have been set today to encourage the children to think about how they can co-operate with each other and use courage and consideration for others when communicating. They have been practicing solving problems creatively to ensure that everyone benefits and one person's success is not achieved at the expense of others.

What would you do in these situations?

You and your friend both want to play on the iPad at the same time. How would you solve this problem?

You and your sister want to watch different television programmes. How would you solve this problem?

Someone wants to join in your game at playtime, but it is only a game for two people. How would you solve

Have you been watching the habits grow on the 'Leader in Me' tree in the KS2 Playground?

Which habits have you seen your children doing at home? What can they tell you about today's habit?

Part of the learning for being 'Proactive' was for the children to learn about the pause button. This helps to give them time to think before responding, helping them to:

- Remain calm
- Take responsibility
- Think before acting
- Focus on solutions
- Take the initiative to make things happen
