

Year 1 Summer 1

Topic 'Nature Explorers'

Which challenges will you complete?

<p>Paint a picture of a nature scene. Can you make the correct colours by only using the primary colours, black and white?</p>	<p>Practise counting in 2's, 5's and 10's. Can you also count backwards?</p>	<p>Plant a seed and watch it grow! What does your plant need to grow?</p>
<p>Make an instrument using recyclable materials.</p>	<p>Ask an adult to help you identify and name some common birds.</p>	<p>Show an adult Habit 4: Think Win Win.</p>
<p>Play shops at home! Can you use real coins to 'buy' items? Remember to look at the coins carefully to see how much they are worth!</p>	<p>Follow instructions using positional language e.g. left, right, over and under.</p>	<p>Practise throwing and catching a ball. How many times can you catch it without dropping it?</p>

Children are expected to complete their weekly reading homework. The above challenges are optional.
