

Cambridge Kids Club

Cambridge Kids Club is the dedicated childcare provider, providing breakfast, after-school and school holiday care for children at Queen Edith and Queen Emma Schools.

We offer fully supervised care at the beginning (from 7:45am) and end (until 6pm) of the school day and during school holidays (8am – 6pm). This allows parents to pursue their careers or further education studies knowing that your child is safe and being looked after in a happy secure environment.

Like all play-work settings, our priority is to organise the environment to allow children to express all their potential through free play. Children therefore have the freedom of choosing what activities they engage in to develop their own personal skills and resilience at their own pace without forcing them to follow a specific curriculum.

Our intention is to provide a relaxing and friendly atmosphere in which children may participate in arts & crafts, play games, read or chat amongst themselves in a safe and secure environment.

A nutritious snack will be provided consisting of drinks, savouries, sandwiches and fruit.

As we are based at Queen Edith's a drop off and pick up collection service is offered to Queen Emma children.

During the school holidays (including half-terms and training days) a full and varied programme of activities is offered including offsite trips. Each week has a theme to it and the activities and outings are based around that theme. For children staying all day, a mid-morning snack and a light afternoon snack is provided.

Please note that Cambridge Kids Club manage the service independently from the school.
