

PE:
Rounders and OAA.

**Geography: Human
Tourism and its impacts in Kenya:**

Are our holidays sustainable? Are the opportunities tourism creates sustainable? Taking Kenya as an in-depth case study, Year 5 will explore how holidays and leisure trips impact the developing world in different ways.

**PSHE: Healthier and safer
lifestyles:**

Relationships and Sex
Education

Our theme for Summer 2 is...

Exploring
East Africa

Music:

Djembe drumming

RE: Christianity:

How can we answer life's ultimate questions?

French:

We will be learning how to say the different Olympic games.

Maths: Fractions:

Year 5 will build on their knowledge of fractions and wholes and understand the relationships involved: multiplying and manipulating parts of a whole to deepen understanding.

Science:

Looking at the meaning of reversible and irreversible changes. Running **fair tests** to develop understanding of what occurs when separating solids and liquids.

English:

We will explore free verse poetic traditions inspired by East Africa to greater understand the written traditions related to our topic subject.
